# Retreat FAQ's

## How do I book my group retreat?

- Once you have an idea of what time of year and how many guests you would like your retreat to be, give our Guest Services Office a call at 732-350-1187.
- Our staff will help find you an available date for your retreat and send you a contract. **You will have about 30 days to return the signed contract and pay a deposit of 20% of the overall retreat total.**

## Are children included in my group count?

- Yes! When booking your reservation, please include children in your total number of guests. We want to make sure we have plenty of space so each of your guests are comfortable during their time with us.

## Will I have access to a meeting room?

- Yes! Included in your package rate is a complimentary meeting space that will accommodate the total number of contracted overnight guests. To ensure we assign you the perfect meeting room, spaces are determined 2 weeks prior to your retreat.
- If there is availability, additional meeting spaces can be requested at a fee of \$25 per room
- We have limited audio visual equipment for a rental fee. Please ask your follow up host to see the brochure in order to request equipment.

## What if I have Day Guests on my retreat?

- We want to make sure you have a successful retreat while you are here. In order to do this, we have to be mindful of the capacities of the meeting spaces, dining room, activities, etc.
- Before you invite day guests, please talk to your follow up host in order to ensure we are able to accommodate them well.

## What if I need to cancel my retreat?

- We understand that unforeseen circumstances happen. You can cancel your contract at any time, however in doing so the group agrees to forfeit their deposit. Cancellation within 6 months of the retreat date is only possible if America's Keswick is able to arrange a replacement group of comparable income. If a replacement group is arranged, any deposits will be forfeited. If no replacement group is possible, the group is obligated to pay 90% of the contracted amount.
